

Parkview Team 3753 the **BULAHBOTS!**

Information:

This club/team is focused on encouraging students to learn, study, and pursue STEM based fields by simulating a technology company and building robots for use in competition.

We are excited that you are interested in joining our robotics team. We have exciting plans this year, and a great team. If you want to know more about our major competition or our team please visit, <http://BulahBots.com> , <http://www.usfirst.org/frc>. If you have any questions, please feel free to contact us.
